Workshop hosted by Center to take attendees on 'journey into space'

Mysterious holes in space, meteor showers and searching for life on other worlds are just a few of the topics to be explored at a teacher-student workshop Friday and Saturday at the Von Braun Center. The "Catch On To Space and Astronomy" workshop will be hosted by the Marshall Center and the University Space Research Association. The workshop is open free to teachers and students in grades 10-12. **Contact:** Dr. Alan Harmon, 4-4924 or Maitrayee Sahi, 4-1373.
